ONLINE PAYMENTS

EFFICIENT MANAGEMENT OF ALL SCHOOL PURCHASES

Automate your school payments with iPayimpact, our online payment platform that is packed with features to manage **all** school income, reduce physical cash handling, and integrate seamlessly with our cashless systems.

In compliance with:

The preferred way to pay

iPayimpact is a simple and secure way for parents and guardians to pay for all school purchases, including school dinners, trips, events, tickets and school shop.

Individual online user accounts provide parents with a single view over all their children's activities, including; clubs, trips and meals account, including their full transaction history and live cashless balance.

Automated payments & reminders

Parents can control scheduled and recurring payments with ease.

Email alerts and notifications inform parents when their balance is low, allowing them to update their accounts, and saving schools valuable time in chasing overdue payments or debts.

Payment protection

All payments made through iPayimpact are covered under the Financial Conduct Authority (FCA) to provide parents with the highest level of payment protection.

Parental consent

iPayimpact provides parents with a view over all their children's activities and the ability to view and sign parental consent forms for school clubs and trips.

Parents of multiple children also benefit from having one single account for all of their children irrespective of different schools or bank accounts.

Socially inclusive

iPayimpact links with PayPoint to provide a socially inclusive payment option for parents and guardians without internet access.

“

It saves me looking for change each week. I can also check how much money is on my child's account and top up online when needed

- Parent, North Lanarkshire

”

Significant savings

iPayimpact removes the need to handle cash but also has the facility to record cash payments if need be.

Turning 100% cashless means schools can eliminate insurance costs associated with keeping cash on the premises whilst saving time on admin, collection, management, recording and reconciliation of money.

Powerful reporting

iPayimpact provides full transparency and auditability of funds and payments. Downloadable reports are available to automatically update back-office finance systems.

Your primary cashless solution

Teachers can help primary school pupils pre-order their favourite meals ahead of time from their classroom.

iPayimpact's pre-order feature is a quick, simple, easy and exciting way for pupils to order meals, whilst generating discussion around healthy food and nutrition.

Seamless pre-ordering for secondary schools

Our award-winning pre-order app, Fusion Online, allows secondary school pupils to order school meals directly from the mobile app or online browser. All pre-ordered meals are pre-paid as the pupils' cashless account automatically updates upon ordering.

The combination of iPayimpact and Fusion Online means that schools can completely remove physical touchpoints from the traditional lunchtime service.

“

iPayimpact has made things a lot easier for us. We've been able to save time on manual management and administration tasks that now no longer need to be done

- Headteacher, St. Ambrose High School

”

80% of parents and guardians prefer iPayimpact online payment system* to top-up their child's account online.
