WHY CHOOSE PARENTPAY FOR YOUR SCHOOL?

ParentPay is used by more than 11,000 schools and 3 million parents across the country. We are a trusted and proven supplier.

We understand the importance of investing in a payment solution which meets both your present and future needs. By choosing us, you will benefit from our market-leading expertise and continued investment in technology to ensure our system remains best in class.

There are many reasons why schools and MATs choose us as their partner to collect and manage school income, but don't take our word for it, read what other our schools are saying about their experience.

SUPPORTING SCHOOLS & TRUSTS WITH SPECIALISED TOOLS, DEVELOPED FROM OUR YEARS OF EXPERIENCE

At ParentPay, we are dedicated to helping Schools & MATs become truly cashless, and we're here every step of the way.

We've listened to schools and MATs around the UK and for many, the main priority is centralisation. ParentPay offers:

- Total income collection - School meals, trips, wraparound and more
- Comprehensive reporting - Across a MAT, Caterer or school
- Integrated technology with all leading school software providers
- Experience - Quality training and support service from a professional team with years of experience
- Multiuse – Schools, Nurseries & Clubs

ZOE STEWART - AVOCET ACADEMY TRUST

"The processing of payments via ParentPay and direct settlement to our bank account, combined with the reconciliation reports available in the system, has made the whole process much more efficient for us. It's also an easy process for parents when booking lunches and trips online".

FOR TRUSTS

- Central Settlement - Funds are settled to your Trust's account on a weekly basis
- Centralised Reporting - Flexible reporting options
- Single Login - View all schools within your Trust
- Integration - Integrates with all major MIS providers and finance packages
- Annual Review Meeting - Review of your schools' usage and identify any areas needing additional support and training
- Implementation Support for New Schools - Including a switching plan to ensure a smooth transition from an existing provider
- Secure - ISO, GDPR and PCI compliant

FOR SCHOOLS

- Flexible Dinner Money Management - Flexible dinner money and wraparound care management, tailored to the needs of your individual schools
- Dedicated UK Based Support Team - Available by phone or email
- On-going Training - For new and existing staff
